The main diagram shows a large gray area representing a building footprint. The shape is roughly rectangular with a semi-circular extension on the right side. Numbered points (0-31) are distributed along the perimeter and internal boundaries. Points 0 through 10 are located along the top edge. Points 11 through 13 are along the left vertical edge. Points 14 through 16 are along the bottom-left corner. Points 17 through 20 are along the bottom horizontal edge. Points 21 through 23 are along the inner boundary of the semi-circular extension. Points 24 through 26 are along the outer boundary of the semi-circular extension. Points 27 through 31 are along the rightmost curved boundary. A small inset diagram in the upper left corner provides a detailed view of a specific section, showing a green path connecting points 17, 18, 19, and 20.
