

The diagram illustrates a V-shaped structure, possibly a bird's beak, with various points and lines. The points are numbered 0 through 26. The structure is divided into several regions, some of which are shaded in light gray. The diagram is overlaid on a grid with labels like 'ustraight', 'X0LC4', '04AF', 'name', 'p1', 'p2', 'units', 'scale', 'WLRPCA U', and '877'.

WLRPCA U

The figure displays a V-shaped structure, likely a molecular or atomic model, with points numbered 0 through 26. The structure is centered around a point labeled 'center'. The points are arranged in a V-shape, with the top points (0, 1, 2, 3, 4, 11, 12, 13, 16, 19) forming the upper arms and the lower points (23, 24, 19, 20) forming the base. The points are connected by lines, and the central region is shaded gray. The plot is overlaid on a grid with labels -10, 1026, -30, and WLRPCA U.
